

Marsing Disaster Auction

"Neighbors Helping Neighbors"

February 5th, 2022 marks the date for the 60th Annual Marsing Disaster Auction and Sale. This is an annual event that generates funds for local community disaster relief. The auction proceeds go toward helping families who have suffered from serious illnesses or other tragedies, to help cover costs associated with hospital or large medical bills, funerals or fire damage to their homes. The auction also assists other local service organizations.

The Disaster Auction Committee would like to invite your business or organization to participate by donating items or services to be sold the day of the auction. Cash donations are also appreciated and can be used to purchase additional items for the sale. The auction relies on generous contributors like you to make the auction a success every year.

This will be the 60th Annual Marsing Community Auction and Sale. In 1961, the Disaster Fund was organized and raised nearly \$6,000. The Marsing Community Disaster Fund is now a registered 501 (c) organization. With the help of businesses, organizations and individual volunteers, the auction has continued to grow year after year and continues to give a helping hand to those families affected by unforeseen tragedies. The auction raises approximately \$75,000 in total gross revenues! Now that's what we call neighbors helping neighbors!

Again, we appreciate your support. If you have any questions or need information on where to direct donations or to volunteer your time (this auction is supported by an all-volunteer committee), please contact James Ferdinand @208-794-7270, Jess Ferdinand @ 208-401-4964, Bob Carter @ 208-880-8770, Sheila Carter @ 208-337-2100, Kelly Ineck @ 208-249-4476, or any Marsing Volunteer Fireman or Marsing Ambulance Crewmember.
