I. Water Treatment – Chlorine system

Philip Gibson, Public Works Superintendent, explained the failing system that was currently in place and then presented two options, Exhibit A. Option 1 was to continue with current system, onsite generation of chlorine. Miox cells are failing every 6 – 8 years. Option 2 was to have Oxarc deliver the chlorine, use a smaller chlorine pump, sell/surplus pump we just bought. Significant annual savings.

Motion to go with Option #2 and directed Philip to find any interested parties to buy the current chlorine pump. made by Councilman Elizabeth Wahl, 2nd by Councilman Brandy Johnson. Vote – Councilman Elizabeth Wahl, aye; Councilman Chris Even, aye; Councilman Marie Herman, aye; Councilman Brandy Johnson, aye. Motion Passed.

II. Motion to Adjourn – Action Item

Motioned by Councilman Chris Even, 2nd by Councilman Brandy Johnson. All in Favor, meeting adjourned at 5:18 pm
